**Sub:** Design & Construction of Western Dedicated Freight Corridor Project (Sachin-Vadodara section of Western Dedicated Freight Corridor Phase -2, Package CTP-13 – “Re-instatement of M/s. Bhumi Research Centre for testing of Materials”

**Ref:** 1. C.A. No. HQ/EN/PWC/Phase-II/PKG-13/D&B/4/EFC dated 18/08/2015  
2. Engineer's Letter no. L/OCGC/DFCC/ZMT-3/CTP-13/2103/4488 dated 13.03.2021  
3. Contractor's Letter No. WDFCCIL /CTP-13/TPL/A001/10208 dated 28.08.2021

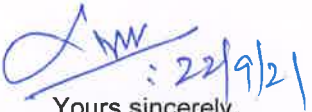

Dear Sir,

With Letter at ref (3), Contractor has requested to **Re-instate M/s. Bhumi Research Centre for testing of Materials**. Contractor in his submission has enclosed the details submitted by the said laboratory regarding their compliance to IS codes, updated NABL Accreditation certificate, Testing photographs & control chart for internal Quality test.

In lieu of the above compliances, “**Notice of No Objection**” (NONO) in terms of Sub-Clause No. 3.1 of Appendix 13 of Employer Requirement (Ref - Part: 2 Employer Requirement of CA) is hereby issued to **Re-instatement of M/s. Bhumi Research Centre** as material testing Laboratory.

It may be noted that clause 5.2 & 3.1 C of General Conditions (FIDIC) is relevant to this context, which specified that any such approval or consent, or any review shall not relieve the Contractor for any obligation of responsibility. Subsequently, if any errors, mistakes, discrepancies found after this NONO are required to be modified by the contractor on his own cost.

Thanking you,

  
Yours sincerely,  
Raj Kumar Sharma  
The Engineer's Assistant
